

# Stop Right-to-Work In Michigan!

Anti-worker legislators are trying to pass bills that would lower your paycheck and hurt Michigan. These anti-worker legislators will give the bills – H.B. 4454-4455 and S.B. 607-608 – the phony title of “right to work.” But their attack on your paycheck won’t guarantee anyone a job.

## *Be Ready. Get the Facts.*

**FACT:** National interest groups, funded by big corporations, banks and insurance companies, are lobbying for “right to work” bills around the country. These outsiders want to increase business profits by destroying unions, cutting pay and eliminating benefits.

**FACT:** Michigan workers have higher wages and better benefits than workers in states that have so-called right to work laws.

**Don't let your state legislator  
Vote to lower your pay!**

**URGE THEM TO VOTE “NO” ON H.B. 4454-4455  
AND S.B. 607-608**
